THANK YOU!

Class of Term 1, 2022

Well, the end of Term 1 has come, and so has the end of my time as the Acting Principal. Doesn't it fly when you're having fun? A lot has happened during the term, and the children have all done themselves and the school proud. This note is just a quick thank you to the following people, who continue to help support the children, and continue to make Whareorino School a great place to be.
Thank you all so much. It has been a pleasure.

😊 Staff 😊

Jacqui. Thank you very much for all the work you have put in during Term 1, and for having to put up with my antics. Your efforts and professionalism certainly helped to make my job much easier and for the school to run smoothly. Many thanks for your support and great work. Enjoy the break Jacqui, and again, my sincere thanks. It was very much appreciated.

Lou. Many thanks for all the work that you have done during Term 1, and especially for being able to teach the kids new things in areas that I am not strong with. It has certainly been great having someone who knows what they are doing in the art area.

Bryan and Shelley. Many thanks to you both for all the work you have done in keeping the school and grounds tidy, as well as your help with all the extras which come up at times. It really does make a big difference so thank you both very much for keeping everything spick and span.

😊 Parents and Caregivers 😊

To all parents and Caregivers, Thank you all very much for your continued support of this great little school. It is really great to see you interested in your child/ren's education and what they are doing. Many thanks for your support, as well as for your assistance over the term. Without your support and assistance, it would make the running of Whareorino School more difficult. **Thank You all very much.** You all have a safe and happy holiday, and the school community looks forward to your continued support in Term 2.

😊 Local Community Members 😊

Many thanks to those of you in the community, who may not necessarily have children at Whareorino School, but whom continue to support it. This support is very much appreciated, and the Children, Staff and Board appreciate it very much. We look forward to your continued support. Many thanks to Shelley for the great work you do with the mail services, and to Paul and Sonia for allowing us onto your property to collect pine cones as a fundraiser. If I have missed your name, my apologies, but please take this as a personal thank you to all of you who support the school in one way or another.

Again, our sincere thanks to you all.

😊 Board of Trustees 😊

Larna, Jacqui, Hamish and Will. Thank you all for the many and varied things which come up in the governance of running a school. Many thanks for your hard work and time in continuing to do the very best for the children of Whareorino School. Your support and friendliness has been very much appreciated, and has certainly made a difference. Many thanks from both myself and the children.

😊 The ones we are all here for...The Children 😊

Delas, Charlotte, Bradlee, Ruby, Tai, Piyper. Kaea, Melody, Tahlia. Thank you all for putting in your best efforts, and for continuing to make decisions which are right for you. It is great to see you all continuing to take on new responsibilities, challenges, and doing the right thing. Enjoy the break guys, you have all deserved it😊.

The Last Word... As you can see, there are many people who do a lot for the school, and for the children within it. If I have missed you, please accept my apologies, and many thanks for your support. Well, that's just about all from me, (you can have a break from me kids 😊). Again, many thanks, and all the very best for a safe, relaxing and enjoyable holiday break, as well as for the future.

It has been a pleasure to have taught your child/ren, and to work with you in bringing up great children. They have all been a fantastic lot, and they should be very proud of themselves, as the school, and I, certainly are. They have shown that they can be responsible, accept consequences for their own actions, work hard, have fun, care about others, and continue to push themselves to be the very best they can be. Well done guys, and have a great break.

Until next time, you all take care, all the very best, and my sincere thanks and best wishes to you all.

School Re-Opens:

Mr Chris Stevenson
Acting Principal for Term 1, 2022.
