Commonwealth Games!

It's been a pleasure to see the children making connections and watching the Commonwealth Games each day. We've had highlights playing throughout the day and our learning has been all around history, understanding sports and finding out more about the Commonwealth.

A highlight was watching the opening ceremony and making connections to what has happened in history to shape our world today. It was such a vibrant and exciting ceremony to watch.

Jobs around the School

In my last newsletter I put out a call for a working bee. The jobs included emptying the garden beds, sorting the library books, going through the pile of school resources in the PE shed and waterblasting the concrete.

Thank you to Caren and Pania who have made a start on these jobs. Our library and gardens are looking amazing!

They have also volunteered to do the waterblasting.

During the coming weeks, watch this space for a call out for little jobs around the school and if you have a spare moment you're welcome to come down and help out.

This may be better than a fixed date working bee.

Parent help for upcoming school trips

As you can see in the upcoming events, we have loads of trips planned for this term.

If you would like to come along to any of these trips, please pop into school and let me know.

Our bus only holds 11 children, which is our current school roll. Any parents wanting to come along are welcome, however will need to drive themselves to and from the venue.

Please note that as per school policy, children can only travel with parents who meet licensing and vehicle requirements. We cannot have children travel in situations where we can't guarantee the policy is followed. Thank you for your understanding.

UPCOMING EVENTS

August

Mon 22nd: 'Gymnastica' Trip to NP

Thurs 25th: Aria School Production Trip

September

Fri 16th: Cluster Cross Country - Mimi School

TBC: Speech Competitions

Tues 20th: NP Shopping Trip

Whareorino School
